

MBU/BRCC TRANSFER TIPS

Flexible, Affordable MBU Online-transfer up to 90 credits!

2018-2019 BRCC Courses approved for MBU Common Curriculum

Mary Baldwin University accepts college transfer courses which are consistent with the mission of the University, comparable in learning outcomes, and complementary to MBU's own degree programs.⁹ Students must earn at least a "C." Courses do not have to be identical to those offered on campus at Mary Baldwin.

Requirements are subject to change and different majors factor into courses meeting general curriculum requirements. Therefore, it is strongly recommended that you have access to a personal advisor who will help you take the most effective route, even prior to enrollment.

Contact MBU's Advising Office in E112 using the BRCC scheduler, email wcadp@marybaldwin.edu or call 540-453-2345.
