

MARY BALDWIN UNIVERSITY
Business Administration Department

BUAD 340 - Financial Management
Canvas Course
Summer 2021

PROFESSOR: Melissa Malabad
HOME PHONE: (540) 433-8108

EMAIL: mmalabad@marybaldwin.edu
CANVAS: <https://marybaldwin.edu/canvas/>

Note: Every effort will be made to respond to phone messages and email sent before 6 pm, however there is no guarantee that a response will be received by the student before the following morning.

COURSE DESCRIPTION (As Indicated in the MBU Academic Catalog):

Financial Management studies the ways and means by which a corporation raises funds, uses financial resources, and evaluates the uses of funds. Sources of funds, asset management, financial planning, ratio analysis, and other techniques of evaluation are studied by means of problem solving and case analyses. This course is offered online only.

COURSE OBJECTIVES:

By the end of the semester, students should be able to:

- Explain the key terms and concepts used in financial management;
- Explain the major ideas and processes that characterize financial management;
- Understand and demonstrate popular techniques in financial management, including financial forecasts;
- Discuss the advantages and disadvantages of using various techniques, and assess the most appropriate time for use;
- Describe the methods utilized within the capital budgeting model;
- Describe the effects of operating and financial leverage to a firm's financial condition;
- Describe the risks and returns associated with overseas operations;
- Recognize appropriate technological applications (e.g. those derived from available software) for use in financial management.
- Seek ethical options when employing financial practices;
- Understand financial management as it is integrated into the larger corporate structure.

To achieve these objectives, the course will include independent reading, case studies/exercises and a final exam.

PREREQUISITES:

At least a "C" in BUAD 208, BUAD 211, ECON 101, and ECON 102.

REQUIRED TEXT:

Stanley B. Block., et al, *Foundations of Financial Management (16th edition)*, McGraw-Hill Education: New York, NY, 2017.

ISBN# 978-1-259-27716-0

Important Note: This is still a costly book in print due to its recent publication. Although other editions of the text are less expensive, the assignments you will be graded on are based on and/or are taken from this 16th edition. Absolutely no accommodation will be made for students ordering the incorrect edition. Students are encouraged to search www.amazon.com, www.chegg.com, www.textbooks.com or other related sites to find lower-cost copies. There are plenty available at online outlets, and please feel free to rent this text to save money - you will not need the online Access Code provided with brand-new copies. It is NOT recommended that you purchase any “international” version of this text.

Also, the instructor reserves the right to assign additional reading with adequate notice. Students may wish to regularly read one or more of the following: *Wall Street Journal*, *Business Week*, and *Fortune*. When applicable, informational articles will also be linked using the External Canvas feature.

DESCRIPTION OF REQUIREMENTS:

READING:

Assigned chapters in the text are listed on the course schedule. Written assignments will presuppose familiarity with topics treated in the text, so students should have read the indicated chapters before completing the assignment. Students are encouraged to utilize the resources provided on Canvas as extra study support.

LECTURE:

Despite being an online course, there is still the opportunity to provide some lecture material to supplement text readings. Students will be provided information on Canvas. When new information is posted, students will be sent messages, and are encouraged to review this material in a timely manner.

EXERCISES:

Students will be assigned SIX individual exercises throughout the course, which can take the form of a multiple-choice quiz, case study, or mathematical problems. The assignments are designed to help the student synthesize marketing information, and apply concepts to “real-world” problems or issues. Details for these will be provided as they coincide with text chapters, with ample time given for completion. Students can expect exercise responses to be 2-4 typed pages in length maximum. NOTE: Exercises MUST be completed in the order assigned, and are open-book.

FINAL EXAM:

Exercises completed throughout the semester will serve to prepare the student for one comprehensive final exam. The comprehensive final exam will be provided to the student once all six exercises have been completed, and will consist of multiple-choice, true-false and/or short-answer questions. The Final Exam will be open-book

STUDENT EVALUATION:

All of the learning activities discussed previously will be evaluated and factored into the course grade. In the calculation of the grade, these activities will be weighted as follows:

Final Exam

10%

Six Exercises (@15% each)

90%

At the end of the semester, the instructor will assign +'s and -'s using the grading scheme listed below. No automatic rounding of grades will occur, nor will there be any extra credit offered or guaranteed curve on any assignment. Students should strive to do their best right from the beginning of the semester.

94-100 = A	74-76.99 = C
90-93.99 = A-	70-73.99 = C-
87-89.99 = B+	67-69.99 = D+
84-86.99 = B	60-66.99 = D
80-83.99 = B-	59.99 and below = F
77-79.99 = C+	

It is the student's responsibility to monitor his/her progress throughout the course. If the student has a question regarding the assignment of a grade, he/she should feel free to approach the instructor within one week of receiving the grade. Further, students should keep all returned graded work until the final grade is determined. In the case of a final grade dispute, and in the absence of any documented proof of the discrepancy, the instructor's grade book will be the determinant. Additionally, students who find themselves struggling at any point in the semester are encouraged to contact the instructor. Support is available, and students should not be shy about requesting assistance. Be advised, however, that the day before a major assignment is due is generally not the best time to ask for intensive help.

GENERAL POLICIES:

SEMESTER SCHEDULE:

The instructor reserves the right to change any part of the syllabus (readings, due dates for assignments, etc.) at anytime during the semester, and such changes are binding regardless of what is written in the syllabus. It is the student's responsibility to keep track of scheduled examination/assignment dates, any changes in these dates, and all other announcements made throughout the semester. Students can expect to be notified of changes through email and on the Canvas website.

CLASS COMMUNICATION: All class communications will be conducted using the MBU Canvas email and announcements features. Students are expected to monitor their Canvas listed email accounts, read any messages sent or posted by the instructor, and follow the specified directions. Students can expect to receive a weekly message, including upcoming due dates, assignments, etc. It is VERY important that these messages are read, and read in a timely manner. As more than one notification will be given, students remain responsible for whatever penalties that occur from either failure to read notices or failure to take action on them. NOTE: The instructor will not initiate email messages to any location other than the student's Canvas listed account. It is the student's responsibility to make sure that his/her email account is not "over quota." Further, if a student sends an email to the instructor from a non-Canvas account, his/her name should be written in the subject line for easier identification.

INFORMATION TECHNOLOGY:

All electronic work must be submitted using the following software applications: Microsoft Word, Access, Excel, and PowerPoint. Students using alternate formats such as PDF will not receive written feedback.

ASSIGNMENT DUE DATES:

The dates for all readings and major requirements are included in this document, and are listed with a "FIRM" due date. Students are expected to stay on top of work and to hand items in early or on time. To be fair to all involved, it is NOT the instructor's policy to regularly accept late work, therefore students should plan ahead for possible problems. Any assignment not handed in by the "FIRM" due date is subject to a 10 point loss PER DAY the item is late. Students requesting extensions may be required to provide written documentation. All requests for extensions must be made by 9pm on the FIRM deadline. Deadline extensions will not be given

for longer than one week unless extreme conditions exist - simply being “busy” does not qualify as an extreme condition.

NOTE: Students are expected to email assignment responses by 11:59pm on the “FIRM” due date, and can expect to receive feedback usually within two weeks. If an assignment is late to the extent that it is not eligible to earn points, it will not be reviewed by the instructor. Additionally, the instructor will acknowledge receipt of a file within 24 hours. If a student has not received this confirmation, it is his/her responsibility to email the instructor in a timely manner. Failure to do so may result in late penalties.

ET REQUESTS

If a student is unable to complete all of the coursework during the current semester, he or she may request extra time (an ET) in order to finish the course most successfully. A request for an ET will only be approved provided that at least TWO Case Studies have been completed prior to the request (unless there are special circumstances). Students should contact the instructor and an advisor as soon as the ET request is desired. Students are subject to the ET deadline set by MBU each semester.

ACCESSIBILITY SERVICES:

Any student with documented accessibility needs who feels they may need academic accommodations while taking this course, should first contact Dr. Carey Usher, Associate Provost (cusher@marybaldwin.edu, 540-887-7064) or Accessibility@marybaldwin.edu.

THE ACADEMIC RESOURCE CENTER:

The ARC is your one-stop-shop for writing, math, and all other subject and studentship tutoring. Residential students can meet with tutors virtually or face-to-face in the Center for Student Success, on the first floor of Grafton Library. Online and remote students can work virtually with tutors on papers, assignments, and test-taking strategies. Appointments are scheduled through TutorTrac (tutortrac.marybaldwin.edu). For more information, contact Dr. Carey Usher, Associate Provost (cusher@marybaldwin.edu, 540-887-7064) or ARC@marybaldwin.edu.

USE OF WIKIPEDIA: The instructor does not recognize the website Wikipedia as a valid source for paper/project citations. Students may utilize this site to gain preliminary definitional information and/or as a starting point for further research, however it is not to be used as a reliable source for any project and must not be quoted or paraphrased in any written material.

HONOR CODE:

All graded activities will be subject to the Mary Baldwin University’s Honor Code. It is the student’s responsibility to become familiar with and understand the provisions of the University’s Honor Code and System, including students’ rights and responsibilities. In particular, all individual assignments are to be completed solely by the individual student. If an individual has concerns or questions, those are to be addressed to the instructor ONLY. Further, the student has violated the Honor Code if he/she has attempted to represent the work of others as his/her own (this includes paraphrasing whether it be from a traditional paper source or on-line source). Any deviation of this policy is a violation of the Mary Baldwin University Honor Code. Any questionable activity will be reported to the Honor Council for investigation.

NOTE: Each written submission should contain the phrase “This work complies with the MBU Honor Code,” with a typed signature of the student.

CLASS SCHEDULE

The class schedule below is very loosely constructed to allow for ample completion of topics. It is provided as a recommendation for working through the course in the most efficient and thoughtful way. Students can expect to find Exercises posted in Canvas by the start of each indicated week, if not sooner.

Week of May 17	Read Chapter One (The Goals and Activities of Financial ...) Read Chapter Two (Review of Accounting)
Week of May 24	Read Chapter Three (Financial Analysis) Complete Exercise One <u>Due Tuesday, June 1</u>
Week of May 31	Read Chapter Four (Financial Forecasting) Read Chapter Five (Operating and Financial Leverage)
Week of June 7	Read Chapter Six (Working Capital and the Financing ...) Complete Exercise Two <u>Due Sunday, June 13</u>
Week of June 14	Read Chapter Seven (Current Asset Management) Read Chapter Eight (Sources of Short-Term Financing)
Week of June 21	Read Chapter Nine (The Time Value of Money) Complete Exercise Three <u>Due Sunday, June 27</u>
Week of June 28	Read Chapter Ten (Valuation and Rates of Return) Complete Exercise Four <u>Due Tuesday, July 6</u>
Week of July 5	Read Chapter Eleven (Cost of Capital)
Week of July 12	Read Chapter Twelve (The Capital Budgeting Decision) Complete Exercise Five <u>Due Sunday, July 18</u>
Week of July 19	Read Chapter Thirteen (Risk and Capital Budgeting) Read Chapter Sixteen (Long-Term Debt and Lease ...)
Week of July 26	Read Chapter Seventeen (Common and Preferred Stock ...) Complete Exercise Six <u>Due Sunday, August 1</u>
Week of August 2	Read Chapter Eighteen (Dividend Policy and Retained ...) Receive/Begin Work on Final Exam <u>Due Friday, August 20</u>
Week of August 9	Continue Work on Final Exam <u>Due Friday, August 20</u>
Week of August 16	Complete Final Exam <u>Due Friday, August 20</u>
