- 2) students pursuing the BA/MAT may take graduate-level equivalents for some of these courses
- 3) students pursuing licensure in any of these areas will have additional requirements as set forth by the Virginia Department of Education

**9 s.h. in the minor must be from Mary Baldwin University.**

**\* Transfer courses do not necessarily carry the same Learning Outcome Designations for the Common Curriculum**

**Only two courses counted in the major may also be used in the minor (major/minor overlap rule).**
