**Additional Information:**

*\*Additional requirements for eligibility to take the BCaBA Board Examination include an undergraduate or graduate degree and supervised fieldwork. Additional requirements to take the BCBA Board Examination include a graduate degree and supervised fieldwork. Fieldwork is not required as part of the program and must be obtained independently of the program. The program can offer guidance to students seeking fieldwork options. Supervised fieldwork, according to the Behavior Analyst Certification Board, Inc.® may not begin until the first course in the approved sequence (ABA 313 or ABA 513) has been started. Please see the Behavior Analyst Certification Board, Inc.® website at [www.bacb.com](http://www.bacb.com) for further detail about degree and fieldwork requirements.*
